## FALL FAIR

Celebrating  
the Year of the Family Farm

**SEPTEMBER 26TH & 27TH 2014**

## **2014 President Catharine Campbell**

Come celebrate with us “The Year of the Family Farm”, on September 27th 2014.

The Rocklyn Agriculture Society is planning a full year of community events and activities to get our local families more involved in the community, and help let them learn what built our community – The Farm and Family. We opened the events with a great community family day on February 16th. We hope you had a chance to see our “Castle”.

Sticking with our theme, we hope you have had a chance to plant your seeds from our “Make it Sow” fundraiser. If you have or haven’t we hope that maybe it brings back a childhood memory of enjoying and playing in the dirt on the farm or family garden!

We are always busy with the catering committee and different fundraisers. This has been one of our sources of income. Thank you to all that support us in our events.

The Rocklyn Fair will open with our annual talent show and concert, where our Jr. Ambassadors are crowned, followed by a family dance on September 20th 2014.

The Agriculture Society would not be able to continue to run a successful fair year after year without all of our great sponsors, directors, volunteers, 4-H leaders, and members. Thank-you for all your work and support throughout the year!! If you are interested in coming out to be part of the Agriculture Society and/or the fair, you can always contact me and or any one of our directors. We would be happy to work with you.

Enjoy celebrating your family and the farm in 2014!!

## **2013 – 2014 Ambassador Hannah Woodhouse**

It’s hard to believe that the Rocklyn Fall Fair has been providing entertainment and community fun for 146 consecutive years! Celebrating its 147th year in the fall of 2014 leads us closer to the big 150th anniversary that we as a community continue to prepare for. As the Rocklyn fall fair ambassador of 2013-2014, I have had the honour of representing the Agricultural Society at various functions and events including our very own Rocklyn Fall Fair. This 2014 year, we strive to make it the biggest and best as we continue to grow and attract others to the small but mighty Rocklyn community. I encourage everyone to come out and celebrate our community’s accomplishments at the 2014 Rocklyn Fall Fair!

## 23. Sugar Plum Spice Jam - Follow Recipe

**INGREDIENTS:** 10 red plums, pitted and chopped  
 2 cups chopped fresh pineapple  
 1/2 cup apple juice  
 1/2 (12 fluid ounce) can frozen orange juice concentrate  
 1 lemon, juiced  
 1 1/2 teaspoons ground cloves  
 1 teaspoon ground allspice  
 1 (1.75 ounce) package powdered fruit pectin  
 1 tablespoon butter  
 8 cups white sugar

**DIRECTIONS:** Place the plums, pineapple, apple juice, orange juice concentrate, and lemon juice into a large pot over medium-low heat, cover, and cook until the plums are soft, 15-20 minutes. Mash the plums and pineapple with a potato masher until thoroughly broken up but leave small chunks of fruit in the mixture. With the fruit mixture at a slow simmer, stir in the cloves, allspice, pectin and butter (to reduce foaming). Raise heat to high and bring the mixture to a full rolling boil for 1 minute, stirring constantly. Mix in the sugar, stirring constantly and cook for 1 more minute at a full rolling boil. Remove from heat, stir in red food colouring until even in colour, and skim off any foam. Sterilize 8 oz (250ml) or 16 oz (500ml) canning jars and lids in boiling water for at least 5 minutes. Pack the plum jam into the hot, sterilized jars, filling the jars to within 1/4 inch of the top. Run a knife or a thin spatula around the insides of the jars after they have been filled to remove any air bubbles. Wipe the rims of the jars with a moist paper towel to remove any food residue. Top with lids and screw on rings. Place a rack in the bottom of a large stockpot and fill halfway with water. Bring to a boil over high heat then carefully lower the jars into the pot using a holder. Leave a 2 inch space between the jars. Pour in more boiling water if necessary until the water level is at least 1 inch above the tops of the jars. Bring the water to a full boil, cover the pot, and process for 10 minutes. Remove jars from the stockpot and place onto a cloth-covered or wood surface several inches apart, until cool. Once cool, press the top of each lid with a finger to ensure that the seal is tight (lid doesn't move up or down at all). Store in a cool, dark area.
